DISCUSSION QUESTIONS | JUNE 21ST

1. Ecclesiastes 3:1-8 describes a variety of seasons in life. Which pair of seasons stands out to you most, and why?
2. In verses 9-11, the Teacher says God "has made everything beautiful in its time" and has "put eternity into man's heart." What do those phrases mean? How do they help explain both the beauty and frustration we experience in life?
3. Many of the seasons listed in verses 1-8 are not ones we would choose for ourselves. How does trusting God's timing challenge you in your current season of life?
4. The Teacher reminds us that we cannot fully understand all that God is doing from beginning to end (v. 11). Where are you most tempted to demand answers or control instead of trusting the Lord?
5. Is there a specific way that the Lord prompted you this week where you need to "lock in"?
