

SMALL GROUPS

DISCUSSION QUESTIONS | SEPTEMBER 6TH

1. What's something you're looking forward to in this upcoming ministry year?
This could be personally, as a group, or even for our church as a whole.
Perhaps you could use a few minutes to consider a "spiritual" goal of sorts!
2. Read Philippians 4:4-9. What does Paul tell us to do with our worries and anxieties? What truths in this passage do you most need to remember right now?
3. Read Ephesians 3:14-19 and John 15:9-12. What stands out to you about the way Paul prays and the way Jesus describes His love for us?
4. Hebrews 12:1-3 calls us to "run with endurance" by looking to Jesus. What's something currently making you weary, distracted, or weighed down in your walk with the Lord? What would it look like to fix your eyes on Jesus in that area?
5. Take some time to share what you most need prayer for in this season.
Rather than simply collecting requests, spend some time actually praying for one another and, where you can, use the truths from these passages to guide your prayers.
