DISCUSSION QUESTIONS | MARCH 29TH

1. What's one question that you wish someone would ask you?
2. What is one thing from the sermon that you found encouraging, challenging, or personally convicting? Why did that stand out to you?
3. In a helpful way, would you be willing to share any doors to gospel conversation that God has opened?
4. In Acts 1:8, the risen Lord says, "you will receive power when the Holy Spirit has come upon you, and you will be my witnesses..." - where do you sense hesitation, fear, or reluctance to be a witness right now, and how might that reveal whether you're relying more on your own ability or the Spirit's power?
