DISCUSSION QUESTIONS | APRIL 19TH

1. What was something that was encouraging, challenging, or convicting from Pastor Jon's message this week?
2. In Galatians 2:16, Paul says we are not justified by works but through faith in Christ. Why is that so hard for us to actually believe and live out?
3. One of the main ideas was our tendency to drift from grace to works. Where do you see a performance mindset showing up in your life right now - trying to earn God's approval, prove yourself, or feel "good enough"?
4. Galatians 2:20 says, "the life I now live... I live by faith in the Son of God." What would it actually look like for you this week to live by faith instead of performance in a specific area of your life?
5. Paul ends in 2:21 by saying, "if righteousness were through the law, then Christ died for no purpose." Where are you subtly living as if Jesus' work isn't enough - adding your effort, consistency, or performance to it?
