Read: 1 John 5:11-12, John 14:6, John 10:10

What do you think of when you think of Jesus bringing Life?

We were created by God, to glorify God. Why is this important?

Peter Kreft says “restlessness is the second most precious thing in the world, since it is the means to the only good that is even greater than itself, namely, the rest that comes only in God.”

When you think of a Yoke what comes to mind?

How does staying Yoked to Jesus benefit us?

Talk through your testimonies of the past. Before Jesus, what were you yoked to that only left you feeling empty? How did that feeling change when you connected to Jesus?

Why does obedience to Jesus bring us life?

All of us at some point are a little hard headed and think our way is better than God's way, but Life is not found in doing whatever you want, its found in obedience to Jesus.

What are some things in your life that proved to you Jesus plan for your life is the best course of action?
