

DNA: Life Group Lesson

What is the achievement in your life that you are most proud of?

Why should churches strive to be excellent if Jesus already gave us all we need on the cross?

Read Colossians 3:23-24. What does it mean to do something from the heart? Is there an extent to what in our lives should be done intentionally for Jesus?

The sermon says “God gave His best for us and we will give our best for Him.” What impact should giving God our best have in our vocation? What was God's best for us?

Read Romans 12:1. What does Paul mean when he says to be a living sacrifice? What is the relationship between worship and excellence?

The sermon says “the result of our theology should always be doxology”. When you increase in the knowledge of God do you always increase in affection and intimacy with Him? Why do you think some theologians can know so much about God and not be moved by Him?

Our DNA statement says “simplicity enables excellence”. What is the connection between simplicity and excellence? How can we intentionally make life more simple when it gets busy and complex?

Read Ephesians 2:10. Are you living by default or by design? What are some things that would change in our world if the church turned off its default settings and picked up their cross?

As a LifeGroup what are you building right now? How can you intentionally build the kingdom of God with excellence as a Life Group together?

Where is excellence needed in your area of serving, leadership, or personal relationship with God?
