

I LOVE MY CHURCH - Calling all Servers!

Serving in the church is a major aspect of our worship to God. How has your life been impacted by the way someone else serves the Lord?

Read: Ephesians 2:8-10, 2 Timothy 1:9, Galatians 1:15, Ephesians 4:1, 1 Peter 4:10, Revelation 12:11

How do you feel that God has called you to serve Him?

One tool we can use to discover the right fit for our service in ministry is to discover our S.H.A.P.E.

- Spiritual Gifts: How has God gifted you spiritually?
- Heart: What are you passionate about?
- Abilities: What are your talents?
- Personality: How does your temperament inform your service?
- Experiences: What have you gone through that God could use?

What S.H.A.P.E. are you?

***There is no such thing as small, or insignificant service in the church.
Everything counts, everything we do matters.***

Read: Matthew 20:28, Phillippians 2:5-7, John 13:1-20

How does service make us more like Jesus?

How could our flesh get in the way of God's transformative work, even as we are serving in the church?

Discuss this quote: The highest position in the room is always kneeling at someone's feet.

As you close in prayer, please pray for hearts open to serving God, for clarity of vision for our leadership, and for God to move in a mighty way in our church.
