

# *21-Day Corporate Fast*

**DAY 9 - JOHN 3:30**

He must increase, but I must decrease.

Through fasting we break the hold of the fleshly nature. We allow the new creature to come in and take preeminence and what happens as a result is miracles begin to happen in our lives. All of a sudden, the Spirit of God begins to break through in us. The new man is freed from the bondage of the flesh and God has secured the new man.
