

# 21-Day Corporate Fast

## **DAY 18 - PSALM 51:12**

Restore to me the joy of Your salvation,  
And uphold me by Your generous Spirit.

There are a lot of Christians that have not experienced the joy of their salvation in a long time. This is the one thing David cried out for when his sin had been found out, because he was going through the motions. Come to the altar, where I lay down who I am and receive everything that He is.

You should want the peace of God, you should want the strength of God, you should want the love of God, you should want to experience the joy of salvation.
