When Did We Stop Cleaning?

Pastor Robby Black | Psalm 51:1-12 (NKJV)

Key verse: “Create in me a clean heart, O God, and renew a steadfast spirit within me.” - Psalm 51:10 (NKJV)

Name: _____ Date: _____

1. You Were Made Clean

Isaiah 1:18; 1 John 1:7; 2 Corinthians 5:17

Jesus cleanses us by His blood. Remember the joy and care of those early days.

2. How Did It Get This Bad?

Song of Solomon 2:15; Hebrews 3:13

Small compromises pile up. What have we started accepting that once convicted us?

3. Clean for Company

Psalm 51:6; Matthew 23:27; Ephesians 4:30

God desires truth inside us. A clean reputation can hide a neglected heart.

4. Saved People Still Need Their Feet Washed

John 13:10; 1 John 1:9; Titus 2:11-12

Daily confession and repentance keep us walking closely with Jesus.

My Response: Open Every Door

What do I need to confess, surrender, or change today? Ask God to restore the joy of His salvation (Psalm 51:12).

“The question is: when did you stop cleaning?”
