LETTER FROM THE PASTORS

Happy New Year! At the beginning of every new year we have great ambitions to turn over a new leaf, to create healthy habits, or hit a goal we have been dreaming of. Inevitably we almost always fall short of that goal, but thank goodness for the grace of God to pick us up when we can't do it ourselves.

This year, **2023**, we want you to commit yourself to the Lord and we want you to know Him more than you ever have before. One of the greatest ways to get to know Him is to listen to Him, through His Word. At the beginning of this year, we want to walk together through the book of Psalms. The Psalms teaches us how to worship and relate to God through the many different circumstances of life.

Let's make a habit together this year of reading God's Word. Will you join us?

HOW TO USE THIS READING PLAN

This reading plan through the book of Psalms is nine weeks long. There are five days of reading each week, allowing time to catch up over the weekend before the next week starts. Each **"Daily Reading"** passage also has a **"Further Reading"** that is simply related passages of scripture to further your knowledge and encouragement from the Word! Make sure to see the **"Reading With Purpose"** section below to take full advantage of your time in the Word!
