

Unity is the goal, for believers, happening when all parts of the body are working properly. Be reminded that our main topic focus is learning to walk the walk that we are called to do. Paul is giving us hiking tips.

1. Why do you believe people at Easter time often invest in a new outfit? _____

God also wants us to place ourselves in the position to receive a wardrobe makeover. When we start Ephesians 4:17-24 we are introduced to a divine wardrobe that will change one's life.

2. Read Ephesians 4:17-19. Before we can appreciate the new, let's examine what the old looks like. List 4 ways in which the Gentiles walk.

Verse	What it says	What you think that means
4:17		
4:18a		
4:18b		
4:19		

3. People today say living apart from God does not cause them to suffer those things we listed above. What do you think when you bump up against that perception? _____

4. Read Isaiah 5:20. What does this say? _____

Relate this to cultural actions of today? _____

God back and reread Paul's statement in 4:17. What does he say? _____

_____ Where is he getting the things he will be saying? _____

6. Stop for a moment and just concentrate on 4:20. What in that verse makes the most dramatic impression on you? _____

7. Break apart the components of verse 21. What truth is in Jesus? _____

Ephesians learned more than just the knowledge about Jesus, what more was there to be learned about Him?

When true preaching takes place, Jesus is invisibly in the pulpit and walking the aisles teaching His own.

8. What are the results when Jesus is the subject, teacher and atmosphere of your body life.

Scripture verse	What it says	How do you do what it says
4:22		
4:23		
4:24		

9. We are looking at a new wardrobe. How is this new wardrobe created for you? _____

Your part Col. 3:9-10 _____

Romans 6:12-13 _____

10. Keep in mind we don't put on the new nature but just putting off the old nature. We need to put on Gal. 5:22-23 _____

God is at work in His people, but as children of grace we must also do those things Jesus commands.
