## HOW TO HANDLE WEALTH

### 1 Timothy 6:17-19

**BIG IDEA:** God has blessed us abundantly, and we should use our wealth to bless others, not ourselves.

# APPLICATION GUIDE

JUNE 9, 2024

## DISCUSS

How can wealth potentially affect a person's attitude toward God and others?

Why do you think Paul warns against being haughty or putting hope in earthly riches?

What does it mean to "do good, to be rich in good deeds, and to be generous and willing to share"?

How can focusing on eternal values rather than temporary wealth influence one's financial decisions and priorities?

## APPLY

In what ways do you find yourself placing your hope in material wealth? How can you shift your focus to trust more in God?

Are there areas in your life where you struggle with generosity? What steps can you take to become more willing to share?

How can our church encourage and support one another in living out the principles of 1 Timothy 6:17-19?

## COMMIT

Pray for a heart that seeks after God more than material wealth. Ask him for wisdom to use your resources generously for the good of others.
