

# SERMON NOTES

NOW IS THE TIME TO WORSHIP

Psalm 33

**BIG IDEA:** There is no better time to worship God than now.

# APPLICATION GUIDE

February 6, 2022

## DISCUSS

What does the Psalmist mean when he sings, "Praise befits the upright"? Why is this true?

Why are verses 4-5 critical to understanding everything Psalm 33 reveals about God?

Why is God worthy of worship no matter the circumstance, good or bad?

## APPLY

What false hopes do you tend to trust instead of trusting in God's steadfast love alone (v. 17)?

Why are these insufficient to save?

How can God's "steadfast love" transform the way you view and approach the difficulties of life (vs. 5, 18, 22)?

Think about a difficult circumstance you often find yourself in and finish this sentence, "Now is the time to worship because...."

## COMMIT

Will you wait on God with gladness and hope this week (v. 20-22)? What steps do you need to take, and will you commit to taking them?
