## DISCUSS

What themes are emphasized in these verses that Paul has addressed previously in this letter?

What is the difference between Paul's boast at the boost of his opponents?

What does it mean to boast in the cross of Christ? How would you explain that to a non-Christian?

## APPLY

How have you seen God make you a new creation?

In what way do you see the old nature creeping back into your life?

What needs to change in your heart or thinking?

How would you know that living in a gospel-shaped community is your life's priority?

How can you be an instrument of God's peace and mercy to someone in your life?

Where do you bear the marks of Jesus in your life?

## COMMIT

Think back over this entire study of Galatians. What significant lessons stick out in your mind? How have you grown personally? Spend time thanking and worshipping God for these lessons and growth.
