## DISCUSS

What is the link between Paul's exhortation to share all good things with those who teach in verse 6 and the principle of sowing and reaping in verses 7-9?

Holiness is a harvest; whether we reap it or not depends almost entirely on what and where we sow. What does it mean to sow to the flesh, and what are its rewards?

Why does Paul say that God is not mocked (v. 7) when we always see and hear people mock God?

## APPLY

Is there anything in your life you would not be willing to share with others for the sake of Christ and the good of his people?

How can you be generous toward others, especially those who generously serve you for the sake of Christ?

In what ways can you sow to the Spirit?

Are you growing weary of doing good?

How can you find encouragement in the promise that you will reap in due season if you don't give up?

## COMMIT

Write out a prayer of gospel-shaped commitment to the Lord to start or continue doing good in at least one specific situation of your life (e.g., marriage, parenting, work, ministry, holiness).
