Palm Sunday Service

Mark 11:1-11

1. What was so significant about the day Jesus entered into Jerusalem?

2. Share a time in your life where you have looked back and seen the evidence of God's hand in a particular season or situation.

3. How do we trust God's perfect plan and timing when we feel as if we're in the dark and God isn't working?

4. God often has a way in preparing a man or a woman for the things He has called them to (for example, see Moses' and David's life). Why do you think God uses times of waiting or inactivity in our lives to prepare us for the future?

5. **MAKE PERSONAL AND PRACTICAL APPLICATION!** In light of what we've studied from our Palm Sunday Service, what changes are you going to make in your own life?
