

"It's Not Over - Part 2" HOPE GROUP STUDY - Week of April 7, 2024

Let's review this week's message...

1 Let's Talk & Pray

Ask everyone to share the following:

When you were younger, what is one thing
you feared about the future? Did it happen?

After everyone has shared, pray for your time together.

2 Let's Read the Word

1 Kings 18:8-15; Acts 2:17

3 Let's Review the Main Idea

When we hear the Lord's Word, we can get through the darkest times... troubles, trials, droughts, depression, lack... And God knows exactly what we need and He has the last word over our lives. We can't let fear tell us it only contradicts God! Let's value the Word He gives us and speaks over us! We can come to our new beginnings in God when we...

- LISTEN to God's Word
- LEAVE the spirit of fear
- LIVE in the Spirit

4 Let's Think

- Describe the widow's feelings in verse 12.
 What did she believe?
- What could have been feeding her fear?
 How do we allow our "fears" to be fed?
- How did the prophet help her see the future God had for her and her son?
- What does God's Word promise to us when we are facing fear?

5 Let's Share

- Share a time when you had your own plan (of fear) but God brought you something much better.
- In the midst of a famine, God would take care of her, her son, and Elijah...what did God use? What "miracle" do you have that you need to share and see God use?
- Why is it hard to release to God what little (seems like little) we have?

6 Let's Grow

- Read Acts 2:17 again. Why do you think God wants to pour out His Spirit upon us? Why do you need His Spirit?
- Was there a time this past week that you allowed His Spirit to fill you so you could face a difficult situation. What words do you need to speak for your future and that of your loved ones?
- What in your life do you need to surrender so that God can fill you more with His Spirit?

7 Let's Pray

Take a few moments to share prayer requests and pray for them and each other.
