

“Show Up for your Show Up Moments” - Pastor Jim Rion HOPE GROUP STUDY - Week of April 19, 2026

1 Let's Talk & Pray

What song gets you hyped up to “show up” and face the day or a circumstance when you don't feel like showing up??? After everyone shares, pray together for your study.

2 Let's Review the Main Idea

In Genesis 3, the serpent questions what God said, creating doubt. Eve responds but adds to God's command. The serpent then directly contradicts God and appeals to desire—wisdom, beauty, and independence. Eve gives in, eats the fruit, and Adam follows. This moment wasn't just about fruit—it was a “show-up moment.” A moment where trust, obedience, and identity were tested... and missed. We all have “show-up moments”—times where God invites us to trust Him, obey Him, or step into something meaningful. But we often miss them. We heard that there are 4 main reasons we miss these show up moments: Sin, self, struggles, and success.

3 Let's Read the Word

Genesis 3:1-6

4 Let's Think

- What stands out to you most in this passage—Eve's response, the serpent's strategy, or Adam's silence?
- Why do you think Eve was drawn to the fruit even after knowing God's command?

5 Let's Share

- Which of the four reasons (sin, self, struggles, success) do you think is most dangerous or subtle? Why?
- In what areas of your life do you find it easiest to trust God? Where is it hardest?
- Who in your life helps you “show up” well spiritually? How do they influence you?
- What lies or doubts do you feel like you've believed recently (similar to the serpent's tactics in Genesis 3)?

6 Let's Grow

- What is a “show-up moment” you might be facing right now?
- Where are you most tempted to distort, ignore, or rationalize what God has said?
- Which of the four obstacles (sin, self, struggles, success) affects you the most—and how?
- What would it look like to fully trust and obey God in your current situation?

7 Let's Pray

- Pray for areas where God is asking you to take responsibility instead of staying passive... pray over any requests too.
