

# Win the Day - Wind the Clock

*Eph. 5:15-17; Ps 118:22-25 (NIV)*

**BL: Time is measured in minutes; life is measured in moments.**

The size of your \_\_\_\_\_ will \_\_\_\_\_ the size of your God.

Keep one eye on \_\_\_\_\_ and the other on \_\_\_\_\_.

Don't \_\_\_\_\_ other people's success if you aren't willing to \_\_\_\_\_ their work ethic.

Either you are gaining \_\_\_\_\_ or you're losing it.

What's killing your idea of God's timing for your life?
