# CAMBODIA Unfiltered

*Recently returned from their mission, Rick and Jen Baltzersen welcome you to an open evening where they will provide insights into their experiences living in a developing nation. They plan to recount tales of their relationships with local staff and the individuals benefiting from their efforts. Additionally, they will talk about the adjustments they've made while residing in a community without other expatriates and the challenges of relocating every six months. This event presents a wonderful chance to learn about their daily lives abroad.*
