## Hand-Painted Watercolor Cookie Decorating

Join us for a creative session where cookies become edible canvases! In this tutorial, participants will learn the art of **hand-painted watercolor cookie decorating**, using food coloring mixed with vanilla extract. The workshop will guide you through preparing smooth icing surfaces, mixing colors, and adding intricate, hand-painted details with food-safe brushes.

Whether you're an experienced baker or a first-time decorator, this session invites you to explore your artistic side while crafting delicious, eye-catching treats.

Join us Saturday, March 28 at 1:00 in the Gathering Space. All materials will be provided.
