MY CELEBRATION COMMUNITY BEACH CHURCH DREAM

Celebration Community Beach Church has been built on great expectations. From the very first Sunday, we’ve expected God to act and work in this church. So, what is my dream of Celebration?

Here is what I shared on our first Sunday with eleven people:

“It’s the dream of a place where the hurting, the hopeless, the discouraged, the depressed, the frustrated and the confused can find love, acceptance, help, hope, forgiveness, guidance, and encouragement. It is a church setting where everyone feels wanted and no one feels like they are being put down or condemned.

It is a dream of sharing the good news of Jesus Christ with the residents of Collier County. It’s the dream of a thousand members, growing together in spiritual maturity through Bible studies and fellowships. Loving, laughing, learning together in a positive, casual atmosphere where we can learn and understand Gods’ wonderful plan and how to live life to its’ greatest potential.

It’s the dream of sending out church workers as missionaries and sending out our members on short-term projects in our community and around the world and to grow at least one new daughter church.

You Expect The Best! Signed: Pastor Gene Scott
