Agathos Revisited: Our Money & Resources

Jesus has endowed and gifted all of His disciples with an investment.

And He expects us to make a return for Him on His investment in us.

Matthew 25:14-30

Genuine kingdom minded disciples are those waiting and watching and working.

Be prepared for the coming of the Master (25:1-13)

Be productive while the Master is away (25:14-30)

The Endowment or gift from the Master (vs. 14-15)

The Expectation of the Master (implied in text)

The Evidence of genuine and false disciples (vs. 16-25)

The Judgment of the Master (vs. 21, 23, 26-30)

The Joy of stewardship (vs. 21)

Are you a true disciple, servant, and slave of Jesus?

How do you view what you have in your possession?

While the Master is away, how are you investing His endowment to you?

God has historically funded His work through His people.

“Our gifts, our influence, our money, our knowledge, our health, our strength, our time, our senses, our reason, our intellect, our memory,

our affections, our privileges as members of Christ's Church, our advantages as possessors of the Bible, all of these are talents. All of these are endowments given to us by God. From whence came these things. There is only one answer to that question. All that we have is alone from God. We are God's stewards."
