## Seasons Greetings!

As I sit down to write this letter to you I am enjoying the last bite of cheesecake from my 60th birthday celebration while watching it snow outside. I am loving the cheesecake gift...grateful for achieving the 60 year journey...and trying to embrace the early winter season with sincere appreciation. Minnesota has lots of weather! It's what we talk about ;)

## Past Season

In one of my past seasons at Youth With A Mission, I met a great couple, Rex and Annie Lynch, who have led many training schools and mission outreaches. Our paths crossed again late last year. I learned that they are pioneering a new YWAM base in Nelson, New Zealand ([www.ywamnelson.co.nz](http://www.ywamnelson.co.nz)). This location will offer various training and ministry opportunities that will serve many nations including Nepal and India. They are currently building the leadership team, securing the base property and making plans for establishing the mission.

## Future Season

Talking with them about their work in Nelson really stirred my heart. I want to help them pioneer this new mission center and am very excited about this opportunity. I have spent this year downsizing and preparing for future ministry service. After much prayer, I believe that the Lord wants me to become a member of this YWAM Nelson team. **They would like me to join them by late November to help organize the new YWAM base.** The plan is to officially launch the mission on December 15th. After the initial set up, I will be serving in a variety of ways including administrative support, evangelism, discipleship, and prayer ministry.

## Eternal Investment

Will you join my team? Will you please consider making an eternal investment by donating financially to this ministry? Everyone in YWAM raises their own financial support. I need to cover insurance, transportation, housing, food, etc. I am looking for partners who can commit to monthly contributions, as well as one-time donations. Information on giving is included below.

I also need prayer supporters. Prayer is the most valuable gift one person can offer another. Prayer is not only powerfully effective but essential for making an eternal impact. As the body of Christ, we need to unite in prayer now more than ever. Simply put: "The earnest prayer of a righteous person has great power and produces wonderful results." —James 5:16

Thank you for your love and friendship! Your presence in my life is an incredible gift of love that I treasure and appreciate as I journey through this season.

Looking for His return,  
Susan Roberts
