

## Salvation of loved ones and prayer for the lost

- for a specific person in your life who needs to know the lord
- for someone to come into their life to bring Jesus to them
- for whatever circumstances they need to realize their need for Jesus
- that their name would be written in the lambs book of life
- to break down the barriers that are keeping that person from coming to Christ
- For the veil to be removed and then to see the truth.
- For Satan's deception to be exposed
- for all lost souls the prayers as above

Father God today I lift \_\_\_\_\_ up to you. I asked for their salvation. I pray that you would bring someone into their life to speak truth to them and show them their need for you. I pray that whatever circumstances they need to make them see their need for you that you would make that happen in their life. I pray this would be as gentle as is good for them. The most important thing is that their name is written in your book of life. I pray that you would break down any barriers keeping them from knowing you and that the veil will be lifted and Satan's deception's would be exposed so they can see the truth. I pray this Father also for all who are lost that they would come to know you and see their need for you and that their names would be written in your book of life. Give me your heart for the lost. I pray this in Jesus name and thank you for answered prayer.
