

Prayer for Finances

*Thank the Lord for His blessing and provision for you. Thank Him for how He cares so deeply for you, and loves you so much. Ask Him to help you trust Him for provision day by day.

*Ask God to give you wisdom in the use of the money He has entrusted to you. Pray that He will guide you in giving, saving, and spending. Thank Him for his faithfulness in always meeting your needs when you follow His leading.

*Pray for the financial situations of those close to you. Ask the Lord to bless these people and give them wisdom with their finances. Pray for blessings and prosperity for family, friends, businesses, ministries, and organizations.

*Pray that we would not trust in our money, or in our ability to earn it, but that we would always remember that it is God who gives us the ability to earn. Ask the Lord to help us not rely on our money or give it a higher place in our lives than where we place God. 1 Tim. 6:10 says "For the love of money is the root of all kinds of evil. And some people, craving money, have wandered from the true faith and pierced themselves with many sorrows." Pray that we would keep Jesus as the first love in our lives, and not be drawn down a road where the love of money causes us to wander from the faith and be pierced with sorrows. Ask the Lord to protect us from the attacks of the devil on our faith through our finances.

Sample Prayer:

Father, thank you so much for the way you love us and provide for us. Thank you that we can put our faith completely in You, no matter what. Help us to trust you more each day, and to truly surrender our financial situations to you. Lord, please give us wisdom in the use of the resources you've entrusted to us. Remind us to seek You before we make financial decisions.

Lord, pour out your blessings on the financial situations of family and friends. Give them wisdom in their giving, saving, and spending. Guide them to use their money the way You want them to. And bless them and continue to provide abundantly for them, Lord.

Father, please bless the finances of businesses, ministries, and organizations. Give the leaders of these organizations wisdom and guidance as they make their decisions this year. May 2019 be a year of prosperity and blessing. We pray that you would use these finances and blessings to further the work of your kingdom here on earth.

Lord, above all, we ask that we would keep our eyes on you. Help us not to love money more than we love You. Remind us that we should not rely on ourselves and our money more than we rely on You. Protect us from the attacks of the devil on our faith and our relationships with You through our finances. Thank you for your blessings and provision, Lord. We acknowledge that everything we have is from You, and we offer it all back to You, in the name of Jesus.
