

## WEEK THREE - HEAVEN

### Let's Talk

It has been said, home is where the heart is. Even if you have moved a lot, most people have a "heart home." What is that place for you? What does home feel like?

### Watch our 'Table Talk' video for this week

What did you find most impactful from this week's sermon?

### Let's Study

Read John 14:1-4.

What does Jesus say to do, in verse 1, in order to fight the urge to worry? Have 1 or 2 people share about a time in their life when trusting in/knowing God gave them peace through a difficult experience.

Jesus says, "I am going to prepare a place for you." What does Jesus add to His promise? (see verse 3). How do you know if this promise is for you? (Hint: See 1 John 5:13).

Read Revelation 21:1-5.

What do the different images of a bride, a city, and what is mentioned about God's people tell you about Heaven?

Is Heaven a physical place or is it only a spiritual place? Explain your answer.

Read Revelation 22:1-6.

Pastor Jon said "Heaven is about being with God first, each other second and living our our calling third." What do these verses and any others you can think of, say these things will be like?

### Let's Apply

Your life is being examined by God, 'the audience of One'. Do you live acknowledging that His appraisal of your life ultimately is the only one that matters?

Would you say you are excited about being with God for eternity? Why or why not?

What can you do to regularly remind yourself that this earth as it is, is a temporary home? God is going to restore it and make a new earth. How could this impact the way you are living now?

### Let's Pray

Ask the Lord to continue to prepare you for the eternal home He is preparing.
