

Sunday January 20th

LET'S TALK:

How were your holidays? Share your highlights. How did the sermon impact you?

GO TO THE WORD:

Read Acts 2:42-47 and discuss your understanding of "Common Faithfulness."

Read Acts 13:2 and discuss "Unique Calling." Pastor Jon said, "*Specific calling* is usually given to leaders and it's through spiritual disciplines that we can discern God's calling for leaders." Discuss. Recount specific times in the Bible that God "called" a leader specifically.

Read Acts 13:1. God brings together people that wouldn't normally socialize... In this verse, they are brought together to the throne of God for a specific purpose. How have you seen this in your life, or in our church?

Read Hebrews 12:14-15 and Romans 12:8. Are you harboring any bitterness towards anyone in this church, or previous churches? In what areas do you need more of God's peace?

WHAT NOW:

In light of our C4 Pickering Site launching this Fall, who can you invite? In what places and spaces can you prayerfully reach out to people that are unconnected to God?

PRAY:

Pray for C4 Pickering, pray for God to show us who to invite. Pray against bitterness and pray for peace and unity. Pray for Plan 2.0 and for Holy Spirit to have preeminence throughout all of the upcoming changes across our church.

Homework

Grab a copy of Pastor Jon's book, *Convergence*, if possible. Read 1 Corinthians 12: 1-11.
