

ADAM TO ISRAEL'S TWELVE TRIBES

4 GREAT EVENTS

(Genesis 1-11)

4 GREAT PEOPLE

(Genesis 12-50)

Genesis offers us a comprehensive introduction to the Bible. Sin emerges as the major problem the human race has to overcome, and God acts through people to defeat sin. He also offers promises that serve as an outline for the first five Old Testament books. The mystery of Abraham's heir has been solved, and the numerous descendants have begun to appear, but His other promises are yet to reach fulfillment.
