

“

We often take things such as sight or hearing for granted. Let us put ourselves in the place of the Blind Man of Jericho, who kept shouting for Jesus' attention. Even though he was deprived of physical sight, the eyes of his faith were healthy.

May we learn from the example of the Blind Man and open our eyes to the light of faith and guidance of our merciful and loving God in our lives. May we also help others who are struggling to see the True Light.

**6TH WEEK OF LENT: THE HEALING OF THE
BLIND MAN
APRIL 3, 2022**

"Only-begotten Word of God, born in time of the Virgin Mary, you are the Alpha and the Omega, the beginning and the end. You chose to open the eyes of the blind to teach us that you are the source and the giver of light. By your miracles, you proved that you are the awaited Messiah of whom Isaiah spoke: 'Then the eyes of the blind shall be opened, the lame shall leap like a deer, and the tongue of the speechless sing for joy.'

O Lord, who has given us light, accept our witness, and our profession of faith that you are truly the Son of God and the Savior of the world."
