"The words **image** and **likeness** reinforce one another; there is no 'and' between the phrases, and Scripture does not use them as technically distinct expressions, as some theologians have done..."

Derick Kidner, Genesis, p. 50

The Majesty of Man

"Perfect health is a blessing when it is provided by God. Perfect health will be a particular blessing of the coming kingdom of his Christ. But perfect health brought about by the machinations of evil men is a terrible curse. Beauty, intelligence, and health that are achieved by genetic manipulation and by the destructive or removal of all that is ugly, feeble, and sick is no blessing at all." Dr. Ron B. Allen
