Universal Need for the Gospel

This week, Pastor Trae sets the stage for our series by introducing the book of Romans to us; Paul's letter to the church in Rome. These first three chapters Paul talks about how no one is righteous, not the Jews or the Gentiles. We are all in need of a Savior. The Cross, the Gospel is for everyone.

1. The Gospel is power of God for Salvation
2. The Gospel is the righteousness of God Revealed
3. The Gospel affirms the Word of God

Group Discussion:

Do you have faith in Jesus and received Salvation?

Paul talks a lot about the culture and sins of the time. How do they correlate with today's culture?

How does Salvation and his righteousness help us live in the world but not be apart of it?

What did God speak to you this week through the message and devotions?
