God's Sovereignty in Salvation

In chapters 9-11 Paul addresses the Sovereignty of God in Salvation, both for the Jew and Gentile. He reminds us that we cannot earn Salvation through works, but through faith alone. If we confess and believe, we will be saved. Salvation is for the Jews then the gentiles. Gentiles are grafted into the promises of God for Israel.

Salvation rests on God: Chapter 9

Salvation requires our submission: Chapter 10

Salvation relies on grace: Chapter 11

The 5 evidences Paul gives us of God's promises for Israel.

Since we are grafted in, how do the promises of God to Israel/Jewish People apply to us, gentiles?

How does God's plan of redemption for Israel affect us today?

How can we submit to the sovereignty of God through grace?
