Romans 7:7-8:39 | Key Verse: 7:7, 13-15, 24-25, 8:1-4

Living in Victory

When God established the Law, it wasn't to prevent you from enjoying life. It was established to protect you; to protect your ETERNITY. The law gives us something to reveal the wrongdoing in your life. Without them, you wouldn't know any better. The law was not established to condemn, but to reveal. The law doesn't save you, it exposes your need for a Savior. Your flesh responds to what you think. When God has your thoughts, your flesh will follow.. What the law could not do, God did through Jesus. There is no condemnation for those who are in Jesus, because the penalty has been paid. If you want the righteous requirement to be fulfilled in you, then you must be spirit led. If we are being led by our flesh, it only leads to sin. If we are being led by the Spirit, it only leads to righteousness. We have to learn to live from our position IN GOD, child of God, rather than our performance for Him.

Group Discussion:

Who has your thoughts, God or your flesh?

What's a sign that determines if you're a child of God?

How can we feed our spirit and not our flesh? What can we do to live a spirit led life?

What did God speak to you this week through the message and devotions?
