

Sermon Discussion Questions 09.12.21

-Have you ever asked the questions, “Now what” or “What next?” What prompted you to ask these questions (i.e. tragedy, life-vision)?

-As God communicates to people through the Old and then into the New Testament, what are some of the next steps that He reveals? (Consider moments such as Gen. 12:1-3, 2 Sam. 7:12-14, and then Matt. 1:1, 23; 3:17)

-As Jesus invites people into God’s plan, what steps does he invite them to take? Consider Matt. 4:17, 18-22. How does this impact the way you view Jesus as Lord over your life?

-Is Jesus leading you to any next steps in response to the sermon and in particular to the Scriptures you have been discussing?

-How might God be guiding you to help someone else take next steps in following Jesus?
