

Community Notes

Jan 28th-29th 2023

We are in week one of a new series called “Lasting Vision”. Pastor Kevin delivered a message entitled “**What’s Your Jordan**”? We learned that God’s future for our life is good and it’s up to us to choose our future. However, we must ask the question “how do we possess our future”? God gives us 3 things that we must do to be successful and enter the Promised Land!

1. What stood out to you the most in this weekend’s message?
2. Why was this so impactful to you?

Read Josh. 1:1-4; 10-11; and Prov. 16:3. The first thing we must do is **Prepare a Plan**. We see in these verses that Joshua had a plan to bury Moses after he died.

3. What do you need to bury?
4. Where do you want to be at the end of 2023? (Spiritually, Emotionally, Financially, Relationally, Physically.)

Read Josh. 1:7-8; Ps. 34:10; and Matt. 6:33. Next we must **Build Our Lives Completely on God’s Word**.

5. What are some idols that are getting in the way of you completely building your life on God’s Word?
6. What will it take to for you to surrender these to God?

Read Josh. 1:5-9. Finally, we must **Courageously Step Out in Faith!** We were reminded of 2 things we will encounter in life: **BATTLES & BLESSINGS**. God has given us 3 reasons to be bold...

7. *God is With Me!* Share a time you strongly felt the Lord’s presence in the midst of your battle.
8. *God Keeps His Promises!* Share how God kept His promises to you.
9. *God Has Told Me to Do It!* What did he tell you to do and how did He tell you?
