

The explosive power of Mount Saint Helens is equivalent to a Hiroshima bomb exploding, every second, for 9 hours, all at once.
The result was the devastation of all life in 230 square miles.

1 Peter 3:15 Always be ready to give a defense/answer (Apologia) to everyone who asks you a reason for the hope that is in you,

- All the fountains of the great deep were broken up, and
- The windows of heaven were opened pouring rain on the earth for 40 days/ nights!
- The water rose for 150 days until every high hill and mountain was covered!
- That every air-breathing, land dwelling animal died except for those on the Ark!

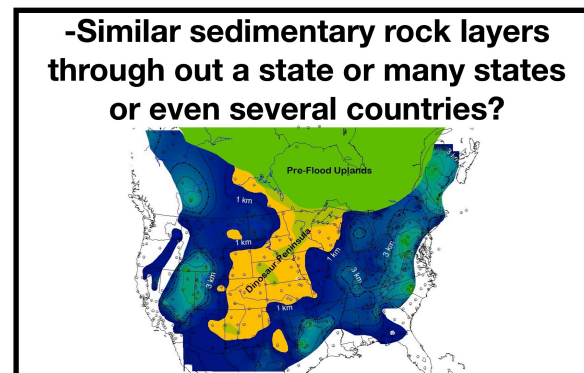

What would you expect to find as evidence to support the claim of the Bible: That billions of dead plants and animals buried in rock layers laid down by water all over the earth?

-Billions of dead plants and animals buried in rock layers laid down by water all over the earth!

-Rapidly buried plants and animals.

-Rapidly Deposited Sedimentary Layers Spread Across Vast Areas!

-Little or No Erosion Between Layers!

Fossils of Sea Creatures High Above Sea Level!

Knowing this first: that scoffers will come in the last days, walking according to their own lusts, and saying, “Where is the promise of His coming? For since the fathers fell asleep, **all things continue as they were from the beginning of creation.**”

For this they **willfully forget**: that by the word of God the heavens were of old, and the earth standing out of water and in the water, by which the **world that then existed perished, being flooded with water.**
