

## **Here With Us**

### **Verse 1**

It's still a mystery to me  
That the hands of God could be so small  
How tiny fingers reaching in the night  
Were the very hands that measured the sky

Hallelujah, hallelujah  
Heaven's love reaching down to save the world  
Hallelujah, hallelujah, son of God, servant king  
Here with us, You're here with us

### **Verse 2**

It's still a mystery to me  
How His infant eyes have seen the dawn of time  
That His ears have heard an angel's symphony  
Still Mary had to rock her Savior to sleep

### **Chorus**

### **Bridge**

Jesus, the Christ, born in Bethlehem  
A baby born to save, to save the souls of man

**Chorus (x2) (Choir Parts)**

### **Verse 2 (SOLOIST)**

Through a dry and thirsty land  
Water from the Kenyon heights, pours itself out of Lake

world was singing **(2:19)**

Ooh, My Deliverer  
Ah, Ah, Ahh (x2)

## **In The Name Of The Lord**

### **Verse 1**

The Crowds Have Lined The Narrow Street  
To See This Man From Galilee  
Just A Carpenter Some Say Leading Fools Astray  
Yet Many Kneel To Give Him Praise

And In His Eyes They Glimpse The Power  
That Sees The Heart Of All Men  
And He Knows His Fathers Mind  
And He Speaks His Fathers Words  
For He Comes In The Name Of The Lord

Your Strength Through Weakness To Show  
We Can Know The Masters Plan  
Extend The Masters Hand  
When We Come In The Name Of The Lord

## Chorus X2

### **When It's All Been Said and Done**

When its all been said and done  
There is just one thing that matters  
Did I do my best to live for truth  
Did I live my life for You

When its all been said and done  
All my treasures will mean nothing  
Only what I've done for love's reward  
Will stand the test of time

Lord Your mercy is so great  
That You look beyond our weakness  
And find purest gold in miry clay  
Making sinners into saints

I will always sing Your praise  
Here on earth and ever after

For You've shown me Heaven's my true home  
When its all been said and done  
You're my life when life is gone

When its all been said and done  
There is just one thing that matters  
Did I do my best to live for truth  
Did I live my life for You  
Lord I'll live my life for You

### **Clean**

You wash me in mercy, I am clean **X2**

## **Via Dolorosa**

### **Verse 1 (Soloist Only)**

Down the Via Dolorosa in Jerusalem that day  
The soldiers tried to clear the narrow street  
But the crowd pressed in to see  
The man condemned to die on Calvary

### **Verse 2 (Choir Parts: Oooooohhs)**

He was bleeding from a beating, there were stripes upon  
His back  
And He wore a crown of thorns upon His head  
And He bore with every step  
The scorn of those who cried out for His death

### **Chorus (Parts)**

Down the Via Dolorosa called the way of suffering  
Like a lamb came the Messiah, Christ the King

But He chose to walk that road out of  
His love for you and me  
Down the Via Dolorosa, all the way to Calvary

**Bridge (Parts)**

The blood that would cleanse the souls of all men  
Made its way to the heart of Jerusalem

**The Cross Said It All**

**Verse 1 (Soloist Only)**

How I love to tell the story of God's redemption plan  
How Jesus died to take our sin away

But my finest words cannot express  
What one old rugged tree said best  
For nailed to it was all God had to say

### **Chorus (Parts)**

The Cross said it all, the Cross said it all  
Without a word God's heart was heard  
For the cross said it all  
To prove his love like nothing else could  
God used three nails and two pieces of wood  
And the Cross said it all

### **Verse 2**

He could write it in the heavens  
He could spell it in the stars  
He could paint it across the sky for all to see  
But with his own blood, Jesus Christ **(Unison OOooo)**  
Wrote I love you with his life  
And forgiveness still resounds from Calvary  
**(Parts: Ahhhh)**

### **Chorus**

### **Bridge**

**(Unison)** It's more than a symbol of suffering  
Or a picture of pain and **(Parts)** agony  
**(Unison)** For there at the cross every soul that was lost

**(Parts)** Found a bridge from Earth to Eternity

## **Chorus**

### **Outro**

And the Cross

And the Cross

Yes the Cross **(Unison)** said it all

**(Parts)** Said It All!

## **Where The Nails Were**

### **Verse 1**

"Father forgive them" I heard you faintly say

Still, in my heart I feel so guilty

I know the truth is the debt was mine to pay

How could it be right that it happened this way

A fallen and sinful life I was leading

Now, why is Your body torn and bleeding

### **Chorus:**

It should've been my hands **(Parts: OOOooo)**, where  
the nails were

It should've been

It should've been my feet **(Parts: OOOooo)** where the  
nails were

It should've been

It should've been my side that was opened  
My heart that was broken  
It should've been my hands **(Parts: Ahhh)**  
It should've been my feet, where the nails were

## **Verse 2**

At times I am tempted to overlook Your grace  
Thinking I'm worth the love You've given  
I walk like I'm earning the right to run the race  
Somehow forgetting You died in my place  
Still isn't long before I've stumbled  
One look at the cross and I am humbled

## **Chorus: (Parts)**

It should've been my hands where the nails were  
It should've been  
It should've been my feet where the nails were  
It should've been  
It should've been **(Unison)** my side that was opened  
My heart that was broken  
**(Parts)** It should've been my hands  
It should've been my feet, where the nails were

## **Key Change**

## **Chorus: (Parts)**

It should've been my hands where the nails were

It should've been  
It should've been my feet where the nails were  
It should've been  
It should've been **(Unison)** my side that was opened  
My heart that was broken  
It should've been **(Parts)** my hands  
It should've been my feet, where the nails were

### **Outro**

It should've been my hands  
It should've been my feet (x2)  
**(Keyc hange)** It should've been my hands  
It should've been my feet  
**(Soloist)** Where the nails were

**(Unison)** Jesus paid it all, All to Him I owe  
Sin had left a crimson stain  
He washed it white as snow

### **He's Alive**

The gates and doors were barred  
and all the windows fastened down,  
I spent the night in sleeplessness and rose at every sound,  
Half in hopeless sorrow and half in fear the day,  
Would find the soldiers breaking through to drag us all away.  
  
Then just before the sunrise I heard something at the wall,

The gate began to rattle and a voice began to call,  
I hurried to the window, looked down into the street,  
Expecting swords and torches and the sound of soldiers feet,

There was no one there but Mary  
so I went down to let her in,  
John stood there beside me  
and she told us where she'd been,

She said they moved him in the night  
and none of us knows where,  
The stones been rolled away and now his body isn't there.

We both ran toward the garden then John ran on ahead,  
We found the stone and the empty tomb  
just the way that Mary said,  
But the winding sheet they wrapped him in  
was just an empty shell,  
And how or where they'd taken him  
was more than I could tell.

Something strange had happened there, just what I did not  
know,

John believed a miracle but I just turned to go,  
Circumstance and speculation couldn't lift me very high,  
Cause I had seen them crucify him and then I saw him die

Back inside the house again the guilt and anguish came,  
Everything I'd promised him just added to my shame,  
But when at last it came to choices I denied I knew his  
name,

Even If he was alive it wouldn't be the same.

Suddenly the air was filled with a  
strange and sweet perfume,  
Light that came from everywhere  
drove shadows from the room,  
Jesus stood before me with his arms held open wide,  
I fell down on my knees and I just clung to him and cried,

He raised me to my feet and as I looked into his eyes,  
Love was shining out from him like sunlight from the sky,  
Guilt and my confusion disappeared in sweet release,  
And every fear I'd ever had just melted into peace.

### **Chorus**

He's alive, He's alive, He's alive and I'm forgiven,  
Heavens gates are open wide.

He's alive, He's alive, He's alive and I'm forgiven,  
Heavens gates are open wide.

He's alive, He's alive, He's alive and I'm forgiven,  
Heavens gates are open wide.

He's alive!
