

Verse 1:

**This is the Christ that we proclaim
The One who set the stars in place
Who holds all things within his hand
Awakens life at his command**

**This is our God, who left his throne
A human frame became his home
He felt our grief and knew our pain
This is the Christ that we proclaim**

Verse 2:

**This is the Christ that we proclaim
The Son who came to seek and save
He bore our sin upon the tree
And died the death reserved for me**

**This is our God, who crushed the curse
As Adam's failure he reversed
He rose in triumph from the grave
This is the Christ that we proclaim**

Verse 3:

**This is the Christ that we proclaim
To tell the world of Jesus' name
Until the day when every tongue
Declares the glory of the Son**

**This is our God, on heaven's throne
He will return to claim his own
And we will sing for endless days:
"This Is the Christ that we proclaim!"**
