

**We got dust on our Bibles, brand-new iPhones
No wonder why we feel this way**

Hey, how you been?

**It's been a while, and I'm just checking in
I miss the way things used to be back in 2017
And I just miss my friend**

Hey, I've been fine

**I've been struggling to find some peace of mind
It's the problem of our nation and in our
generation**

We're too busy and can't find the time

Are we busy, or is it all a lie?

**We got dust on our Bibles, brand-new iPhones
No wonder why we feel this way**

**We walk with our eyes closed, blind leading
blind folks**

And I'm done with those idols and dusty Bibles

You only get this one life

**I don't wanna sit and watch it pass me by
I'm so done being complacent, there ain't no
replacement**

For a life in the light of your way

Oh, I'm done, had enough of my way

With dust on our Bibles, brand-new iPhones

No wonder why we feel this way

**We walk with our eyes closed, blind leading
blind folks**

And I'm done with those idols and dusty Bibles

I miss the way things used to be back in 2017

And I just miss my friend

Oh, I just miss my friend

We got dust on our Bibles, brand-new iPhones

No wonder why we feel this way

**We walk with our eyes closed, blind leading
blind folks**

I'm done with those idols and dusty Bibles
