READ:

- Luke 4 NIV
- Acts 2:17 NIV
- Romans 8:11 NIV

DISCUSS:

1. Read Romans 8:11. What does this passage mean to you?
2. What is the hardest to understand: God the Father, God the Son, or God the Holy Spirit?
3. Have you believed anything about the Spirit that has been challenged over the last few weeks? What has most impacted you?
4. Information alone doesn't create change. We need to be filled with the Spirit of God. What is something in your life where you need transformation? How will you invite God in to that this week?
