Dear Father in heaven; grant me to be **silent** before You – that I may hear You; at **rest** in You – that You may work in me; **open** to You – that you may enter in; **empty** before You – that You may fill me. Let me be still and know You are my God. Amen

## **Lutherans for Life**

### **December 14**

God used Joseph, who adopted Jesus as his own son (Luke 2:41), to care for our Lord as He (Jesus) mysteriously lived a perfectly human life as our substitute. Through Jesus, God has now adopted us as His own children and has promised us an eternal inheritance in His kingdom (Ephesians 1:5, 11). Christians should be encouraged to likewise consider and promote adoption as a godly way to preserve and care for the lives of God's precious children and bring them into His kingdom.

## KIDS IN THE DIVINE SERVICE

### What is “The Epiphany of Our Lord”?

The word “epiphany” (pronounced ee-PIF-uh-nee) comes from the Greek word meaning “manifestation.” Jesus was made known to all people simply by being born. If we had been alive back then, we could have actually reached out and touched Jesus! He was real, and the evidence was in His birth!

### Why do we celebrate Epiphany?

Epiphany is the third part of the Christmas season. During this special season in the Church Year, we remember the visit of the Wise Men. Traditionally, this visit is celebrated on Jan. 6.

Epiphany also brings to mind many other important events in Jesus’ life. For example, we remember Jesus’ Baptism, the star that guided the Wise Men, and most importantly, His birth! Wow! There sure is a lot happening after Christmas!

**Parents:** “God in flesh made manifest” is a hard statement for children to understand. Be sure to remind them that Jesus is real, alive and once walked on the earth for all to see. When Holy Communion is offered, be sure to let your children attend with you. Instruct them that this is where Christ manifests and gives His true body and blood for us.

# ANNOUNCEMENTS

## LCMS Family Ministry

Blood may be thicker than water...as the saying goes about the strength of family ties. But what if that water is no ordinary water? What if that water is combined with the Word of God in Holy Baptism, whereby God's holy name is conferred upon a person, adopting them into the family of believers? Baptismal water — not bloodline — gives strength to all family ties. That is why "Family Ministry" is a ministry to all peoples within the church; because we are all members of the same family through one Lord, one faith and one baptism. Family Ministry includes widows, singles, the elderly, barren couples and households filled with children — biological or adopted. "Father of the fatherless and protector of widows is God in his holy habitation. God settles the solitary in a home" (Psalm 68:5–6). That home is the ark of the church and that family is the eternal assembly of believers — past, present and future. Thanks be to God — we are family! Join in the mission of LCMS Family Ministry at [lcms.org/family](https://lcms.org/family).

## LCMS Worker Wellness

Church workers serve best when they are supported, encouraged and cared for in body and soul by the very people whom they are called to serve. As a member in a church and/or LCMS school, you are in an ideal position to notice when your church workers may need additional support and then step in on their behalf. Simple actions can be a great help to them:

- Ask them how they are doing and seek to discern their needs. *"Bear one another's burdens, and so fulfill the law of Christ" (Gal. 6:2).*
- Celebrate their accomplishments. *"Love one another with brotherly affection" (Rom. 12:10).*
- Tell them you are praying for them. *"They are keeping watch over your souls... Let them do this with joy and not with groaning" (Heb. 13:17).*
- Encourage them to use wellness resources from the Synod and your district. *"Therefore encourage one another and build one another up, just as you are doing" (1 Thess. 5:11).*
