

The Gospel of Exceptional Love

1 Peter 1:22 "Now that you have purified yourselves by obeying the truth so that you have sincere love for each other, love one another deeply from the heart."

Exceptional Love displays uncommon, extraordinary, remarkable grace to others in the face of internal or external opposition.

Love Must Come from a Truthful Place.

1 Peter 1:22 "Now that you have purified yourselves by obeying the truth..."

Truth is the prerequisite for love.

Love Must Come from a Sincere Place.

1 Peter 1:22 "Now that you have purified yourselves by obeying the truth so that you have sincere (Philadelphia) love for each other..."

Brotherly Love (Philadelphia) means to actively show God's love to each person equally.

Love Must Come from the Heart .

1 Peter 1:22b "...love one another deeply from the heart."

"Deeply" means without slack, not letting up, to be fully outstretched, to reach deep.
