Matthew 21-23: Clash of Kingdoms - Confronting Power, Pride, and Empty Worship

Sermon: Matthew 22:34-40

Date: Sunday, July 26, 2026

1. *Read Matthew 22:34-40.* Where in your life is your love for God divided or partial, and what would it look like this week to give Him "all" instead of "some"?
2. Even though we can clearly explain the two greatest commandments, why do we still fail to live them out in practice just like the religious leaders in Matthew 22? What specific attitudes, habits, or blind spots keep us in "intellectual agreement" but out of true obedience?
3. *Read 1 Corinthians 13.* Which part of this description of biblical love is hardest for you, and what does that reveal about your heart toward God and others? How have you seen yourself grow in the area of love throughout your walk with Christ?
