Date: Sunday, March 15, 2026

1. *Read 1 Corinthians 14:1-5 together. Why does Paul encourage the Corinthians to pursue prophecy over tongues? What was the real issue with how they were using tongues?*
2. *What does Paul mean in verse 12 when he says, "strive to excel in building up the church"? How does this apply to all spiritual gifts, not just tongues and prophecy?*
3. *In verses 20-25, Paul calls the Corinthians to "be mature" in their thinking. What specific immature behaviors were they displaying? How does spiritual maturity relate to how we use our gifts?*
