Family Christmas: God's Plan of Redemption Through Everyday People

Sermon: Luke 1:26-38: Mary

Date: Sunday, December 14, 2025

1. Read Luke 1:26-38 together. What stands out to you most about Mary's situation and response? Why do you think God chose someone like Mary rather than someone from a prominent family or important city? What does this reveal about God's character?
2. We see that Mary was "greatly troubled" not merely by Gabriel's appearance but by his words. Why would being called "favored one" trouble her?
3. Pastor Jared said, "The best ability in the kingdom of God is availability." What does it practically look like to make yourself available to God? What might be holding you back from full availability?
