Reflection

1. Pastor Jen talked about forgiveness feeling like death in a way. Why is forgiveness so hard?
2. Who is someone you've had to forgive? What was that like?
3. Is there someone you need to forgive right now? If so, take some moments to think about what that person did and pray about it. Can you try praying for that person?
4. Why does Jesus call us to forgive others? What do you think would happen if you never forgave people who wronged you?

Forgiveness is hard. It takes time and patience and a lot of self-control. But with the power of the Holy Spirit in you, you can forgive and be free from that weight! We love you and we miss you!

You are loved!
