You are loved...

Read Psalm 77:11-14

Have you ever thought about journaling? (If you don't know what journaling is ask your mom or dad.)

Can you remember a time your felt God close to you? Maybe while you sang a song during worship or even in the car, maybe during prayer?

Remembering what God has done in your life is so important. I want to challenge you to find a moment today and ask your parents or grandparents to tell you of a time they remember God speaking to their hearts.

Because of what He has done we can fully know that He will also be faithful in the future. What things do you need to ask Him to be faithful with in the future? Talk to Him. Ask Him.

Love, Grace and Peace,
