Reflection

What doubts do you have about God?

Are you afraid of those doubts? Why or why not?

Where do those doubts come from?

Take a few moments to tell God about your doubts. Don't be afraid of them. Let them just come. Be honest and real.

Who is someone you can talk to about your doubts? Make a plan for reaching out to someone.

You are not alone in doubting! God isn't afraid of your doubt. And your faith will be stronger for pursuing real truth in your life!

We love you and miss you!
